

and averting what would have been the college's immediate closure.

While 1973 marked the college's first test in Hannibal, it wasn't the last or most severe. Sixteen years later, on June 22, 1989, a small fire that started in the college's cafeteria area soon grew to a raging inferno, swallowing many of the college's vital facilities, including the campus' administration building, auditorium and gymnasium. Black smoke billowed into the air, visible from miles away. Emergency responders worked through the night to douse the fire. But doused with the fire were hopes and dreams for the coming fall semester and the collective futures of incoming students. By daylight, as only charred remains of the structures stood, any thoughts of a successful future vanished into the air with the remnants of the previous night's smoke.

However, President Dr. Paul Brown began the next morning with a pledge to hold classes on campus that very fall. Dr. Brown led college trustees and personnel on a massive effort to rebuild and expand the campus. A large burlap tent was erected on campus for chapel services that fall, classes were held in dormitory basements and trailers on campus and a massive reconstruction program began in an effort to rebuild what had been lost.

Just 3 years later, following the construction of a new sports complex, computer center and cafeteria, the college dedicated its new administration building under the leadership of Dr. Brown and current President Dr. Woodrow Burt. On the cornerstone of this building, built on the site of the administration building lost in the 1989 fire, is a passage from Isaiah 61:3, "A crown of beauty instead of ashes." This building was later renamed for Dr. Burt, who became president of the college in 1995 and still proudly yet humbly serves in that position today.

But the journey for HLG is not complete. The vision for the college's growth and service continued forward over the past decade, as the college constructed a new dormitory and the Roland Fine Arts Center, the centerpiece of the college's recent expansions. The college is also in the midst of a \$30-million campaign, "Building for the Future," which calls for the construction of a new library, allied health and science center and dormitory renovations, as well as enhancing the college's endowment.

Throughout this journey, beating in the heart of HLG is a desire to serve Christ, embodied in the college's motto, "Knowledge for Service." HLG strengthened this commitment over the last 4 years through its implementation of missions programs that serve both domestic and international missions opportunities year-round. HLG is a multiple recipient of the Courts Redford Award, the top award among U.S. colleges and universities for mobilizing students for missions with the North American Mission Board. In May of this year, HLG was named number one among 314 colleges and universities that send students to work with the NAMB.

Madam Speaker, I was honored to stand before this Chamber 10 years ago to commend HLG's commitment to excellence and its use of knowledge for service during their 140th anniversary. I am again privileged to stand before this body and congratulate my friends at HLG for 150 years of quality Christian education. May God continue to bless this fine institution for many years to come.

CONGRESSIONAL BLACK CAUCUS TRIBUTE TO THE HONORABLE STEPHANIE TUBBS JONES

SPEECH OF

HON. JO BONNER

OF ALABAMA

IN THE HOUSE OF REPRESENTATIVES

Monday, September 8, 2008

Mr. BONNER. Mr. Speaker, it is with great sadness that I rise today to honor the memory of former Ohio Congresswoman STEPHANIE TUBBS JONES and her lifetime of dedication to the people of Ohio and the United States. I

was deeply saddened to learn our colleague passed away so suddenly. We have not only lost a wonderful friend but an individual who made a number of historic achievements during her lifetime.

After graduating from law school at Case Western Reserve University, STEPHANIE began her career with Cleveland's sewer district before serving as an attorney with the city's Equal Employment Opportunity Commission. In 1976, she served as an assistant Cuyahoga County prosecutor before her election as Cleveland Municipal Court judge in 1981. Two years later, the governor of Ohio appointed her to a judgeship with the Court of Common Pleas of Cuyahoga County, and in 1991, STEPHANIE was appointed Cuyahoga County prosecutor.

STEPHANIE was elected to represent the 11th District of Ohio in the U.S. House of Representatives in 1998. Throughout her 5 terms of office, she strove for advances in health care, economic development, and education. Recently, she had become a leader in the fight against predatory lending practices.

Most notably, STEPHANIE's legacy will be her career filled with firsts. She was the first African-American and the first female to serve as prosecutor in her native Cuyahoga County, Ohio. STEPHANIE was the first African-American to be chief prosecutor in the State of Ohio's history. She also became the first African-American woman to represent Ohio in Congress and the first to serve on the House Ways and Means Committee.

At the beginning of the 110th Congress, STEPHANIE was named chairwoman of the House Committee on Standards of Official Conduct, of which I am a member.

STEPHANIE TUBBS JONES will be deeply missed by her family—her son, Mervyn Jones II and her two sisters—as well as the countless friends she leaves behind. Our thoughts and prayers are with them all at this difficult time.

MS. SANDRA IRONS AND MR. MARVIN SETZER, JR.

HON. PETER J. VISCLOSKY

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Tuesday, September 9, 2008

Mr. VISCLOSKY. Madam Speaker, it is with great pleasure that I take this time to honor two of Northwest Indiana's most distinguished citizens, Sandra Irons and Marvin Setzer, Jr., upon their retirement from their positions with the Gary, Indiana Teachers Union, Local Number 4, American Federation of Teachers (AFT). Sandra and Marvin's membership in the Gary Teachers Union date back to the beginning of their careers in 1961 and 1962, respectively, and the impact they have had on the quality of life for educators in the city of Gary is immeasurable. For their lifetime of service to the Gary Teachers Union, the Indiana Teachers Union, and the American Federation of Teachers, Sandra and Marvin were honored at a retirement celebration that took place at the Genesis Convention Center in Gary, Indiana, on Friday, August 15, 2008.

Sandra Jean (Carr) Irons' career in education began following her graduation from Kentucky State College in 1960, where she completed her Bachelor's degree in Mathematics and Chemistry. Following that, she
